**RE: SUMMIT CONSULTING LIMITED**

Reference is made to the company above mentioned.

We take the honor to introduce to you Summit Consulting Limited, a limited liability company, engaged in the business of offering consultancy and advisory services in Uganda, and beyond.

We confirm that we contracted this company in the year 2016, for purposes of aligning our operations, and specifically, to develop a strong strategy that would steer Movit Products Limited to deliver its vision. We are happy to inform you that Summit Consulting Limited, under the leadership of a strong hearted, innovative, hardworking, and inspirational gentle man; Mr. Mustapha B Mugisa delivered an incredible, satisfactory, and professional job and on time. They indeed, assisted our top management team to come up with the strategy, which we have proudly rolled out to our entire team, and have since bent all our business operations towards the same. We have no regrets whatsoever in investing/contracting Summit consulting Limited.
